

TARIFFS

CENTREPORT'S GENERAL TARIFF – EFFECTIVE 1 JULY 2020

- Wharfage is a charge for the port's fixed infrastructure comprising roading, wharves and marshalling areas.
 - Storage is the charge for storing cargo at the port. Free and chargeable storage periods apply.
 - Marine charges are for services such as pilotage and towage provided to vessels calling at CentrePort on a single voyage basis.
 - Security Compliance Levy charges cover compliance costs relating to MPI Biosecurity, New Zealand Customs container security and IMO-ISPS requirements.
 - Vessel GRT is calculated based on the GRT disclosed in the Fairplay Internet Ships Register.
- Unless otherwise noted:
- All prices exclude GST.
 - Standard General Contractual Provisions for Services apply. These are available for download at www.centreport.co.nz
 - All rates are effective from 1 July 2020.
 - CentrePort reserves the right to alter these charges at any time.
 - All rates are quoted in New Zealand dollars.

- Subject to capacity and sufficient notice, a storage arrangement is negotiable prior to receipt of cargo. Rates will reflect the specific storage needs of the customer.

TARIFFS

MARINE SERVICES

Charges

The following table is of marine charges for tankers, general cargo or container vessels, including vessels over 500 GRT or over 40 metres Length Overall (LOA) calling at CentrePort on a single voyage basis.

CentrePort's marine charges are International Gross Registered Tonnage (GRT) based and cover port and navigation dues, pilotage, towage services, lines services and an initial 24 hours berthage.

GRT Minimum	Tariff	Additional Rate (\$ Per Each Extra GRT to Next Step)	GRT Maximum
More than 500 GRT or 40 metres	\$1,395.40	\$2.7908	2,999
3,000	\$8,373.16	\$0.3299	4,999
5,000	\$9,033.28	\$0.4304	7,999
8,000	\$10,324.22	\$1.2884	14,999
15,000	\$19,357.52	\$1.0896	19,999
20,000	\$24,805.72	\$0.7600	39,999
40,000+	\$40,005.97	\$0.7600	–

The following tables are of marine charges vessels under the greater of 500 GRT or 40 metres Length Overall (LOA) calling at CentrePort on a single voyage basis, except where noted.

Casual call – where the vessel owner does not have a signed Small Vessel Agreement LOA	Tariff per day
0 to 40 metres and under 500 GRT	\$550.00
More than 40 metres, or over 500 GRT	Refer table for tariff for more than 500 GRT or 40 metres

Vessel owner has a signed Small Vessel Agreement (minimum term of 2 months) LOA	Tariff per month	Tariff per day
0 to 20 metres	\$840.00	\$170.00
20 to 25 metres	\$1,120.00	\$208.00
25 to 30 metres	\$1,387.00	\$234.00
30 to 40 metres	\$1,657.00	\$288.00
More than 40 metres, or over 500 GRT	Refer table for tariff for more than 500 GRT or 40 metres	

TARIFFS

- Additional berthage after the first **24** hours (24-48 hours) will be calculated at \$0.1005 per GRT/per 24hr period in all cases – charged in 12 hour periods (with a minimum of \$550.00 and a maximum of \$12,866.90 per day).
- Additional berthage for subsequent days after **48** hours will be calculated at \$0.201 per GRT/per 24hr period in all cases – charged in 12 hour periods (with a minimum of \$1,006.78 and a maximum of \$25,733.80 per day).
- There is an additional tug charge of \$0.0464 per GRT per movement for all vessels using tugs at Seaview or Burnham tanker terminals (with a minimum of \$346.46 and a maximum of \$1,854.58 per task).
- Rates for shifting vessels between terminals are based on the vessel's GRT and will be supplied on request.
- Ships carrying passengers attract an additional charge for security and traffic control. This charge covers full berth preparation and provision of berth security and traffic co-ordinating services. Extra ship requirements are readily accommodated but may be subject to further charges.
- CentrePort will charge, on a recovery basis, all costs incurred when a Pilot is detained on board for any reason.
- All supplementary shore based services are additional to the above rates and are detailed below.
- Marine Services provided at the customer's request on statutory holidays will attract an additional charge of \$1,781.21 per movement.
- Statutory holidays attract additional labour charges.

TARIFFS
